## Brief Summary

**Date: 15th August 2024**

On the occasion of **Independence Day**, the **NCC cadets** of R. R. College enthusiastically participated in a **Tree Plantation Drive** on **15th August 2024**. The event was organized to mark the 77th Independence Day of India and to promote environmental awareness and sustainability among the youth.

The program began with the **flag hoisting ceremony** in the college premises at 8:00 a.m., followed by patriotic songs and speeches by faculty members and cadets. After the Independence Day celebrations, the tree plantation drive was conducted in the college campus and surrounding areas.

Under the guidance of **ANO Capt. P. A.Sawant**, more than **40 NCC cadets** participated actively in the drive. A total of **100 saplings** of native species like Neem, Banyan, Gulmohar, and Mango were planted during the event. Cadets took an oath to protect and nurture the trees planted.

The principal of the college, Prof.(Dr.)S. S. Patil, appreciated the efforts of the NCC cadets and encouraged them to continue their service towards the nation and the environment. The plantation drive concluded with a pledge to plant more trees and raise awareness about environmental conservation. This program is correlated with Jeevan Vikas Santha, Jath (NGO).

Such initiatives not only commemorate national events meaningfully but also instill a sense of **responsibility and patriotism** among students.

### OUTCOMES OF TREE PLANTATION AND AWARENESS RALLY

- Each student in the rally actively create around 50 pits of 3 by 2 feet to collect the rain water after activity to increase the water level present in the soil.
- Staff and students planted several trees in their residence place and photograph the plant.
- Students made paper and cloth bags and offering a green alternative to single use plastic.
- Students staged a street play, on avoiding the usage of plastic and hazardous impacts of it on the environment.
- The students and college staff pledged to protect the environment.
- The participants became very serious about the environment and the harmful consequences, if we do not protect it, followed by poetry/ story recitation on the theme of environment.
- The students are discussing about how to take out seeds from pods of trees like Babul and Karanj and plant them to create sapling.
- The people forms organization and planted in open space, around the temple in their colony under the guidance of member of Jeevan Vikas Sanstha.(MoU)
