## Brief Report of Bicycle Rally

Bicycle Rally Organized by NCC Cadets on the Occasion of Fit India Programme.

A Bicycle Rally was successfully organized by the NCC cadets on the occasion of the Fit India Programme with the objective of promoting physical fitness, healthy lifestyle, and environmental awareness among students and the general public.

The rally was held on 15 Aug.2025 at morning 9.00am and was flagged off from college gate of our college by Prin. Dr. S. S. Patil in the presence of NCC officers, teachers, and students. A total of 37 NCC cadets enthusiastically participated in the event. The cadets carried placards and banners displaying slogans such as **"Fit India, Healthy India"**, **"Say Yes to Fitness"**, and **"Cycling for a Healthy Nation"**.

The rally covered a distance of approximately 2 kilometers, passing through major areas of the town. The disciplined march of the cadets and their energetic participation attracted the attention of the public and spread awareness about the importance of regular exercise and fitness in daily life. Safety measures were strictly followed, and traffic police provided necessary support to ensure a smooth conduct of the rally.

At the conclusion of the rally, a brief address was delivered by Prin. Dr. S.S. Patil, who emphasized the role of youth in building a fit and healthy nation. The programme concluded with a pledge taken by the cadets to adopt fitness as a way of life and to motivate others to do the same.

The Bicycle Rally was a great success and effectively conveyed the message of the Fit India Movement, inspiring everyone to remain active, healthy, and environmentally responsible.
