2)Feedback Analysis

500 Responses

Please confirm this is the first and only tie you answer this survey.

Age

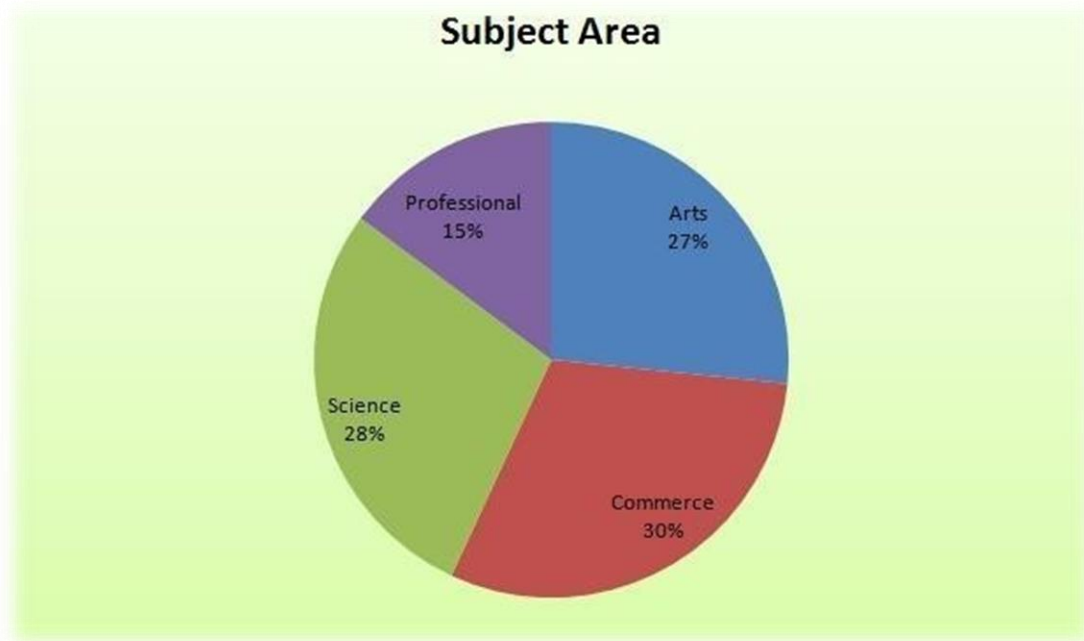

Gender

What degree program are you pursuing now?

What subject area are you currently pursuing?

How much of the syllabus was covered in the class?

How well did the teachers prepare for the classes?

How well were the teachers able to communicate?

The teacher's approach to teaching can best be described as

Fairness of the internal evaluation process by the teachers

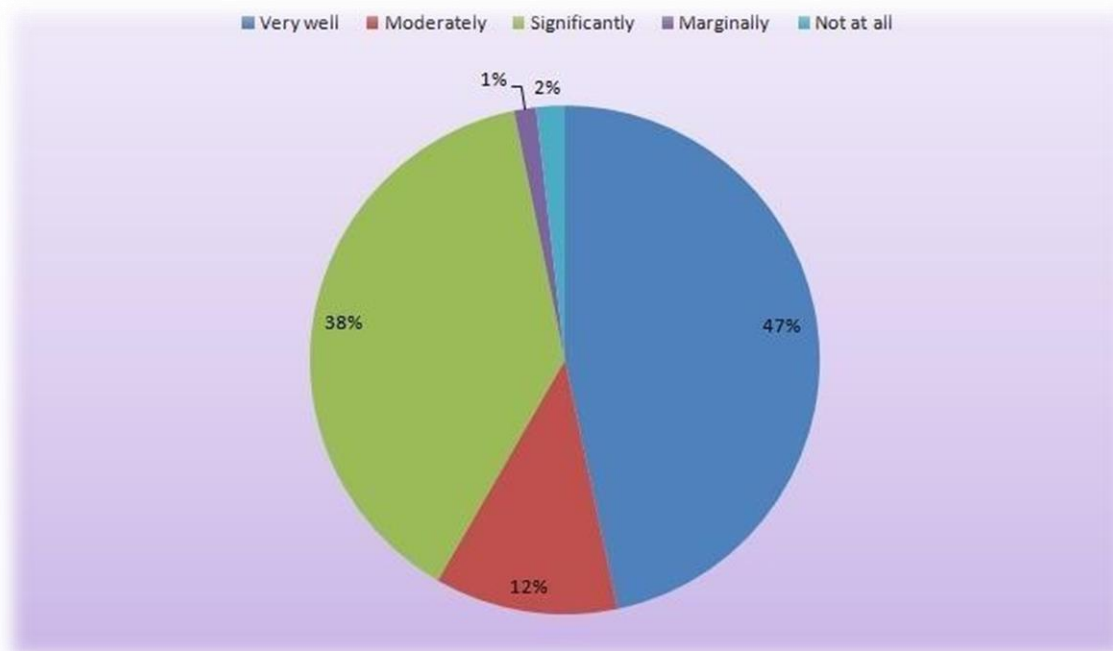

Was your performance in assignments discussed with you?

The institute takes active interest in promoting internship, student exchange, field visit opportunities for students.

The teaching and mentoring process in your institution facilitates you in cognitive, social, and emotional growth.

The institution provides multiple opportunities to learn and grow.

Teachers inform you about your expected competencies, course outcomes and programme outcomes.

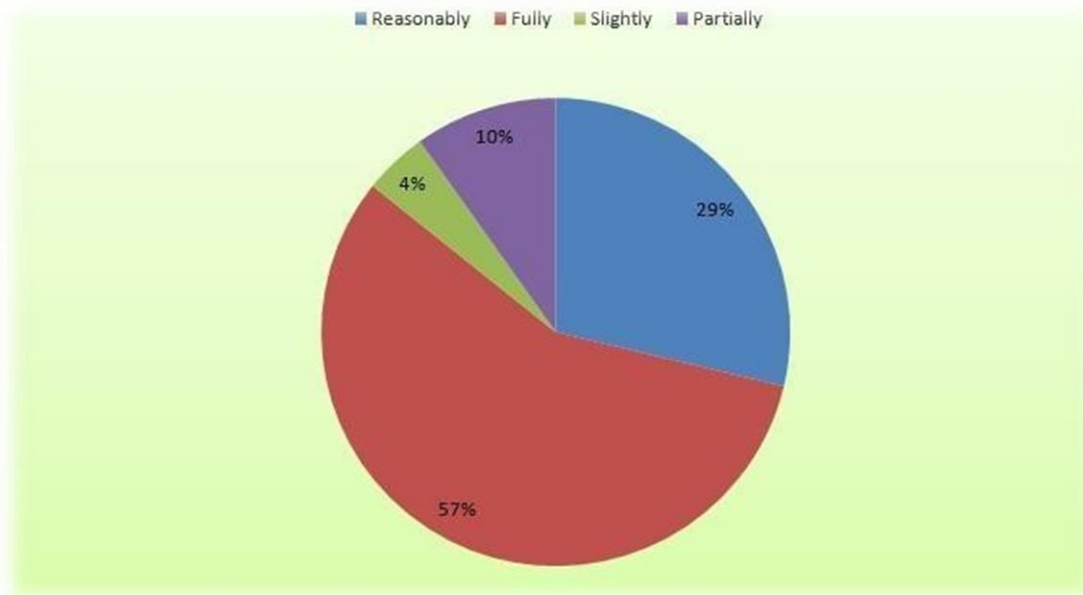

Your mentor does a necessary follow-up with an assigned task to you.

The teachers illustrate the concepts through examples and applications.

The teachers identify your strengths and encourage you with providing right level of challenges.

Teachers are able to identify your weaknesses and help you to overcome them.

The institution makes effort to engage students in the monitoring, review, and continuous quality improvement of the teaching learning process.

The institute/ teachers use student centric methods, such as experiential learning, participative learning, and problem-solving methodologies for enhancing learning experiences.

Teachers encourage you to participate in extracurricular activities

Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching?

The overall quality of teaching-learning process in your institute is very good.

3)List of Suggestion

Give observation / suggestions to improve the overall teaching – learning experience in your institution.

Filter Water,

Availability of hot water in a hostel.

More development of drinking water

Canteen development

Improve the teaching skill

Very high donation fees.

Provide Campus

Improve the teaching skill

Development of Boys Hostel facility. Having School Bus facility for travelling from bus station to campus. faculty. Improvement in Canteen

College bus

Improve the teaching skill

Very good collage

Need to college or school bus

There are no sufficient teachers for teaching. Teachers should be able to use the ict tools. And also there are no sufficient classrooms for us.

Arrange different activities

We are still in education in batcher degree, we have not much more knowledge in management so we will try in this year and we will be able in future, now we suggest that everybody should try for to have good education and better skill in their department.

We want school bus, development of boy's hostel, in every class want dustbin.

Increase the number of library books

Increase no of library

We want good water supply.

Please provide a school bus for us

Please start the Upsc and Mpsc classes in a college.

Provide the RO water.

All teachers are good tech

Development of libraries for always college time

Teachers should be use ICT instrument.

All teacher are very best..But Extra activity is do.....

Need to RO water

Library service is not so good...& we want more hygienic canteen...

Sometimes teacher teach good information but many times they does present study room...

1) RO Water is not available 2) Canteen Facility is not good

Provide campus interview....

Wi-Fi connection in college campus

Provide campus interview

The advanced facilities should be provided to the students. The professional course students should be treated professionally

I get Knowledge, concepts, Application of Skill create interest and motivates for higher education

Improvement in library... Hostel facilities.

Librarian gave to students good books respect...

Having school bus for going to collage

TO develop I T DPT

Development of the canteen & drinking water point.

Librarian not prevaed good let's book mabe UPSC mpsc . And other.. Give properly studay centre...in libraries..

Computer lab should be need modernalized

Start MPSC class

Need the filter water

Boys study room is not available, drinking water is not available, and boy's hostel is not available

Develop computer lab

Required Study Materials in Labaray

There should be more employment orientation and all round personality development

Required spoken English classes for the competition exam

Wi-Fi network problem

St pass should be available in college for boys also

All teachers are teachings are very good. In this college provided many facilities.

To create or develop the motivational lectures

First takes good Clark's for solving the problems of students in college... All teachers are good....

Mpsc and upsc is guest lecture not available in this collage. In this collage does not available study room for student.

Development of garden

To start the classes of competitive exams

Boys hostel is not available please hostel avialabbling

Development of garden

Our college one of the best college and facilities are available and this reasons not any suggestions.

Provide E-library in college for students.

My college is good. This college is very famous in jath. Various facilities available in my college.
